

What is the Bahamas Maritime Authority's guidance on fire extinguishers?

The Bahamas Maritime Authority issued guidance on the inspection, maintenance, testing and survey requirements of firefighting installations and portable fire extinguishers, and is intended to supplement SOLAS Chapter II-2, Regulation 14.2.1.2 and manufacturer's maintenance instructions.

Can alternative fire fighting systems be fitted on a ship?

7.1. Alternative fire fighting systems referred to in SOLAS Chapter II-2 and the IGC Code for protection of machinery and accommodation spaces, pump rooms and cargo spaces may be fitted on board ships, subject to the approval, including any attached conditions, of a Bahamas Recognised Organisation or SOLAS contracting Government.

Are storage tech flame arresters a good choice?

Storage tech flame arresters are not only made with the highest quality materials, but also engineered with a low pressure drop to ensure minimal disruption to your operations.
