

Customized photovoltaic energy storage system service phone number

Who are custom solar solutions?

"Custom Solar Solutions guided us through the process from start to finish. A top quality installation of in-roof solar panels which looks great, just what we needed. We are now thinking of adding battery storage too" Welcome to Custom Solar Solutions, your local independent Solar Photovoltaic experts in South Devon, UK.

What do you think of custom solar?

"Custom Solar did an excellent job of installing solar panels for us, they were very clear on explaining everything and all options to us. They were friendly, tidy on site and were also very respectful of our home and of us working within our home. We are very pleased with the whole experience and would whole heartedly recommend them to anyone!"
