

Lithium Metal Battery Shipping to the Cook Islands

Can a lithium battery be shipped overseas?

Unlike when shipping smaller lithium-ion batteries, new electric vehicles are moved overseas in huge Ro-Ro vessels, with their batteries secured and not live during the shipping process. Best Practices: Shipping Lithium Batteries in Container Ship If a lithium battery has been used or damaged, then it should not be shipped.

How do you ship lithium ion batteries?

Goods must be labelled as "Lithium Ion Battery" or "Lithium Metal Battery" and include appropriate shipping marks and hazard labels. Lithium batteries must have the correct documentation - including a Dangerous goods declaration, air waybill, and packing list. Can you Ship Lithium-ion Batteries Internationally?

What are the shipping requirements for lithium batteries?

These regulations include proper packaging, labelling, and documentation to ensure safe and secure transportation. Some general shipping requirements to transport lithium batteries internationally include: Lithium batteries weighing over 35kg must be approved by the national authority of the shipping and destination country before shipment.

How many lithium batteries can be shipped?

Only a maximum of four can be sent, with two per container, and each battery must have a rating of below 100 watts per hour. It is essential to note that some countries have their own regulations and restrictions for shipping lithium batteries, so it is crucial to check with the destination country's customs authorities before shipping.

Can I ship a lithium ion battery by air?

For this reason, any battery that is suspected or known to be defective (swelling, corroding or leaking, for example) is not permitted for shipping within the DHL Express network. When you're shipping lithium-ion batteries by air, it's essential to follow specific regulations regarding their state of charge (SoC).

Are lithium batteries dangerous?

For shipping, all types of lithium batteries are classified as dangerous goods-- with special regulations for packing, labelling, documentation and handling.
