

Sahara Arab Democratic Republic Energy Storage Power Supply Purchasing Network

Who is Sahara Group?

Sahara Group is a leading international energy and infrastructure conglomerate with operations in over 42 countries across Africa, Middle East, Europe and Asia. Sahara is a dynamic leader in various energy sub-sectors via its Power (Generation and Distribution assets), downstream, midstream and upstream businesses.

What has stood out for you the most at Sahara?

What has stood out for me the most is the Sahara DNA that flows through all Saharians regardless of position, country of operation or department. Working at Sahara has been quite exciting and greatly insightful. My enthusiasm for growth has been met with overwhelming support and opportunities to develop in more ways than I could ever imagine.

What does it mean to be a Saharan?

Sahara is evidence of what it means to defy the impossible. The resilience of a Saharan is one like no other, this makes me a proud Saharian. The sense of togetherness and belonging experienced here embodies the essence of the Sahara Family. This atmosphere truly sets us apart from the rest

What is Sahara Group Foundation?

This is achieved through Sahara Group Foundation - the vehicle for the Group's Personal and Corporate Social Responsibility (PCSR) initiatives. The activities of Sahara Group Foundation are aimed at empowering the communities where we operate in a sustainable, transparent, and efficient manner. The Sahara experience is a unique one.
